

Never Alone

Ya dop ba do ya dop, Ya dop ba do yap ba dow

Ya dop ba do ya dop, Ya dop ba do yap ba dow X2

Every time I'm down I , Think about this truth

This special promise ,That is just between me and You

It brings a ray of sunshine Into the darkest days

It makes the bad thoughts ,And the sad thoughts, Go far away—

Everything And the more I say it, the more I know it's true— ,

I can hear You saying to me :

I will be with you

Be with you al - ways

E-ven until the end of time no You are, Ne-ver al-one

You are , Ne-ver al-one —

Ya dop ba do ya dop, Ya dop ba do yap ba dow

Ya dop ba do ya dop, Ya dop ba do yap ba (dow)

I will be with you

Be with you al - ways

E-ven until the end of time no You are, Ne-ver al-one

You are , Ne-ver al-one —
